With its Unique Technology: Orgo-Life Quantum Push Technology
Congratulations! You have purchased your first Orgo-Life® pendant! With your brilliant move, you are about to experience brand new technology from the Quantum Physics Department of Universal Life Force Energy, in direct harmony with Mother Earth and all her inhabitants. Here are the instructions for wearing your pendant and getting the best possible results!

We recommend wearing your Orgo-Life® pendant continuously over an extended period of at least 40 days. Note that some people (a minority) may feel a period of resistance. It is possible that you will have to go through a 10-day adaptation period where your physical or psychological symptoms will be amplified, or that you will experience too much energy, if this is the case, continue using your pendant. When the period of resistance is over you will benefit greatly. It is quite normal since your pendant brings you back to an ideal frequency that some part of yourself may be in resistance... don't worry, you will get the expected results.

The Orgo-Life® WARRIOR Pendant with 4 Himalayan Crystals + was designed

to make a whole new place in your life for energy, dynamism as well as motivation and the will to action. This powerful tool brings vigor into your life, it will protect you from negative intentions and toxic vibes within 8-9 feet of you. It brings you back to basics and allows you to find your own motivation, which makes it an indispensable instrument for all beings who have a lot to accomplish, a big project, for those who are on a diet, for athletes, for those who often lack of energy.

The Orgo-Life® WARRIOR Pendant with 4 Himalayan crystals + contains all the same elements and properties as the basic Orgo-Life® Medallion (Amethysts, Quartz and much more…) in addition to being added by particular components which protects you in very negative situations, that's why it's called the WARRIOR necklace (Warrior), plus it invigorates the body and mind.

Ideal for increasing self-motivation and setting realistic goals.

Ideal for developing correct visualization and intuitive perception, it stimulates the pineal gland.

It helps to develop a positive state of being, and brings the courage necessary to achieve our life goals.

The Orgo-Life® WARRIOR Pendant is used to increase your vital energy, oxygenate your cells, which has the effect of increasing your mental abilities, improving your circulation, your concentration and your efficiency in your occupations. It is a unique and competent tool to obtain and maintain an overflowing energy by toning your body, without stressing it or weakening it. Therefore, this Orgo-Life® pendant has the property to restore and support the ideal frequency of your general state, for a healthy mind in a healthy body!

This pendant also allows a more efficient energy circulation of the meridians of your body. This makes it an ideal tool for people who are energetically and physically weakened. In addition, individuals who wear the Orgo-Life® WARRIOR Pendant will also see their immunity increased, thus regaining their full life potential.

Ideal for electrosensitive people, this tool has been tested to offer you protection against radio frequencies, microwaves, harmful electromagnetic fields, cellular antennas, computers, television, neon lights, compact fluorescent bulbs, negative orgone... as well as all possible interference in your personal electromagnetic field.

Use:

In order to obtain the optimal properties of the Orgo-Life® WARRIOR Pendant, we recommend wearing it every day, continuously, for at least 40 days. This can be worn 24 hours a day or just day. You can also use it under your pillow, to sleep at night. Some people will see its effect after only a few days while others will see it much later, but you will definitely get all the results you expect after 40 days.

How the Orgo-Life® WARRIOR Pendant works

We use a special resin to attract all the electrons (+ and -) as well as the positive ions (the bad ions) which will be transmuted into negative ions (the good ions) inside the Orgo-Life® Pendant. WARRIOR. What we want is for all the negative electromagnetic fields and all the positive ions (stressful frequency for the body) that surrounds you, to penetrate the pendant instead of entering your personal field as well as your body. Less stress, less weakening, your body will be stronger and develop more bio-available energy. And your DNA chain will be less affected.

Once near the pendant, the positive ions (the bad ones) are drawn inside the double copper spiral in order to circulate through a circuit of precious and semi-precious stones selected and your amplifier of Himalayan Crystals, from there, this energy nefarious is transformed into a whole new frequency, amplified by carefully chosen and measured crystals. Once amplified, this frequency of 15 Hz - 5000 Hz emerges and emanates from your pendant allowing us to gradually become this same vibrational frequency, the frequency of the Earth. When the body begins to get out of balance and feel sick, it vibrates at less than 100 Hz, imagine what it would be like to vibrate at an ideal rate of 5000 Hz. Orgo-Life® WARRIOR Pendant users have noticed positive effects such as: much more energy to carry out your daily activities, more endurance in the face of sustained efforts, better immune defense, etc.

What does the Orgo-Life® WARRIOR Pendant contain?

Your pendant includes these items: 4 X High Quality Double Terminated Himalayan Quartz, 0.999 Silver, Copper, 6 Selected Semi-Precious Stones like Jet Stone, Garnet, Rose Quartz, Obsidian, the peridot… Your pendant is also made up of several metals and copper SBB coils. Reich and a special recipe from our Quantum Physics department at Universal Life Force Energy.
