Description
OH-5523 ??Magickey Teknik® Quantum Harmonizing Wand, emits 1,500 – 2,000 negative ions.

The Magickey Teknik® Harmonizing Wand is naturally self energizing and is developed by Nano Fusion which is a unique and beneficial combination of crystals and minerals, which generate a high concentration of SCALAR ENERGY, NEGATIVE IONS, crystal energy and magnetic energy. in a single protective power field.

The Magickey Teknik® Harmonizing Wand restores synchronization with the zero point field. It is called "phase-locked" because it creates a vortex of energy that helps re-establish synchronization with the zero-point field.

When a part of the body goes out of synchronization it loses its vitality, does not heal effectively and can become ill. It can happen following an injury, an emotional shock, an unhealthy diet... in short, it happens to all of us!

This pencil lets you be the natural healer you know you are. You can harness and mobilize the energy of the zero-point field. Just move the pencil over the places that hurt you, where you have wrinkles, or any other place where you need to find harmony and health.

Its external structure is made of food grade stainless steel (316); it is stable and neutral.

Inside, 4 technologies are combined:

- Negative ion generator

- Germanium with harmonized resonance

- Molybdenum magnet

- Far infrared generator

You can use it in several ways:

- On pain areas of the body

- To structure and basicify your water and beverages

- On the navel to increase your energy level

- Go around your chakras

- On acupuncture meridians and trigger points

- On wrinkles (make circular gestures)

- About yourself, your friends, your pets.

The results are usually very fast, a few minutes are enough to feel the benefits.

About Magickey Teknik® Harmonizing Wand:

The Magickey Teknik® Harmonizing Wand emits energy that rejuvenates the molecular structure of any type of fluid. This creates a very high degree of oxygenation, better taste and longer shelf life. Renewed molecular water strains are similar to those found in healthy natural spring water. Like fruits and vegetables, the human body is just as slow to lose its molecular structure strains as it ages. These can be recharged at the molecular level, to produce renewed energy, using the Magickey Teknik® Harmonizing Wand.

The natural concentration of hydrogen in water is extremely important for the well-being of the body. Molecular structure water leads to a tremendous increase in oxygen flow in the blood, makes you feel young, fresh and energetic.

It also gives you the energy to meet the challenges of everyday life with a positive attitude. Improved oxygen flow helps detoxify the body. It even improves the body's ability to absorb nutrients. If the Magickey Teknik® Harmonizing Wand is placed under your bed, you will gradually, but quickly, improve your sleep as the body's positive chi/prana energies flow naturally when activated in a healthy way.

1. Specification

A powerful tool to support -- your overall health and well-being...

The Magickey Teknik® Harmonizing Wand looks like a pen, but it's not. It contains 11 different natural minerals and crystals fused and structurally bonded together at a molecular level intended to improve your health.

The Magickey Teknik® Harmonizing Wand works on individual cells balancing the body's chi and accelerating the healing process. Specifically targeting the immune and nervous systems.

Like fruits and vegetables our cells slowly deteriorate with age. By using the Magickey Teknik® Harmonizing Wand, these cells can be reactivated at the molecular level. The wand's natural energy can improve sleep patterns, decrease muscle tension, and enhance the body's positive chi energy when worn, carried, or placed under your bed.

The Magickey Teknik® Harmonizing Wand is a natural energy generating device. The energy created rejuvenates the molecular structures in all liquids. By waving the wand counterclockwise in any drink, you can create the same resonance found in natural healing springs around the world. This product is designed to

work for you and your favorite pets by helping to unblock energy pathways in your body's cells and tissues.

Ultimately, helping balance mind, body and soul.

2. Magickey Teknik® Harmonizing Wand Suggestions

The Magickey Teknik® Harmonizing Wand can be used in any way you find beneficial. However, here are some basic suggestions. Point the wand as close as possible, or touch it lightly at the area of ??the body you choose to work on.

Rotate the wand around the area clockwise. Repeat as needed or desired. Use the wand on your hands, fingers and toes to open the meridians of the body using acupressure or acupuncture points.

Additionally, you can use the wand on your face to help rejuvenate the skin.

You can also shake with the wand to energize your drinks or rotate it above your food to energize them as well. By twisting the wand over a drink, the energy spins in the liquid. Or liquid can be poured over the energy wand where it picks up resonance. The resonance generated is similar to that found in the earth surrounding many healing spring waters around the world.

As we know, our body is made up of at least 70% water. Water turns to blood within minutes of drinking! It is therefore important to nourish the body with the correct molecular structured water.
