INSTRUCTION & OPERATION GUIDE — UL-10010

The Sacred Ritual of the Orgo-Life® Feng Shui Abundance Bowl

The Orgo-Life® Feng Shui Abundance Bowl is far more than a decorative object — it is a living energetic catalyst.

Composed of 2 kg of Himalayan salt, five stones representing the Five Elements, and one Orgo-Life® mini pyramid, it acts as a vibrational vortex that purifies, activates, and harmonizes the energies of your environment.

Each element of the bowl is programmed and energetically initiated by **Aruna** according to **Orgo-Life® consciousness**, in communion with the celestial forces, Mother Earth, and your personal intention.

Description
Energetic Function of the Bowl

The bowl cleanses stagnant energies and attracts a fresh flow of abundance and prosperity.

It supports:

- Financial abundance
- Family and romantic harmony
- Professional success
- Social recognition
- Celestial support

It acts as an energetic mirror: what you sow through your intention, it reflects and multiplies.

Sacred Placement of Stones — Creation Cycle of the Five Elements

The order in which the stones are placed in your bowl is essential. It follows the **Cycle of Creation** of the Five Elements in traditional Feng Shui, sustaining the universal Qi balance.

Arrange them by cardinal direction:

North ? Lapis Lazuli: wisdom, intuition, spiritual guidance

East ? Green Aventurine: growth, vitality, new opportunities

Southeast ? Amethyst: purification, spiritual elevation, energetic protection

South ? Carnelian: motivation, courage, creativity, joyful action

Southwest ? Citrine: wealth, stability, benevolent alliances

West ? Terahertz: cellular vitality, regeneration, mental clarity

Northwest ? Pyrite: prosperity, confidence, social radiance

Activation Ritual

1. Choose a strategic location: near the main entrance, in your living room, office, or healing space — somewhere your eyes and heart meet it daily.

2. Purify yourself inwardly with three conscious breaths.

3. State your clear intention: which aspect should the bowl activate — finances, love, career, protection, etc.?

4. Transmit it to the bowl through spoken word or silent thought.

5. Light a candle or recite:

“May abundance flow freely, easily, and divinely within and around me.

May my home become a magnet of light, health, and prosperity.”

6. Repeat three times: **Om Shanti Shanti Shanti** — to seal your intention in deep inner peace.

7. Record the activation date. After one year, replace only the salt.

Soak the stones and mini pyramid overnight in cow’s milk to recharge and honor their energetic memory.

Annual Renewal Ritual

After one year:

- Remove the salt from the bowl.
- Soak the stones and mini pyramid overnight in cow’s milk to purify and recharge them.
- Rinse thoroughly with clean water to remove all traces of milk and restore vibrational clarity.
- Place them back with fresh Himalayan salt.
- Scatter a small handful of the old salt around your home, moving clockwise from the main door.
- Calmly repeat:

“Abundance flows freely, easily, and divinely within me.

My home radiates light, health, and purity.”

- Then softly chant *Om Shanti Shanti Shanti to bring back peace and gratitude.
- End with a moment of thanks to Mother Earth, the Heavenly Father, and yourself.

Spiritual Message from S.S.B.

SSB taught:

“True abundance does not lie in what you possess, but in the peace you feel when you share.”

The Orgo-Life® Feng Shui Abundance Bowl is therefore a tool of faith and devotion — reminding you that divine wealth is activated through gratitude, purity of heart, and selfless service.

Energy follows consciousness; the more you vibrate in joy and peace, the more the bowl amplifies your light and attracts celestial blessings.

Daily Affirmation

“I am a channel of light.

Abundance flows to me and through me.

I manifest with love, gratitude, discernment, and peace.

Om Shanti Shanti Shanti.”

Universal Compassion Affirmation

In this time of transformation, when many souls face hardship, offer each day before your bowl a thought of compassion:

“May every soul on Earth regain peace, dignity, and safety.

May those living in misery, war, or fear feel a spark of hope today.

May my abundance become a bridge of sharing, healing, and love for humanity.

Om Shanti Shanti Shanti.

Om Sai Ram.”

This gesture uplifts the collective vibration. The bowl then becomes a planetary vessel of love, aligned with the Orgo-Life® mission: to unite energetic science, spirituality, and compassion to support Earth’s vibrational rebirth.

Conclusion

This bowl is not a mere ornament; it is a living witness of your faith, spiritual discipline, and service to Life.

Every glance at it reminds you that true abundance is the one shared with an open heart, in peace and gratitude.

Thank you, thank you, thank you.

Om Sai Ram – Om Shanti Shanti Shanti –

May divine abundance, compassion, and peace unfold in every direction of your life and of the Earth.
